## **Portrait Sittings at elm studios**

At elm studios we cater for all tastes and styles. So whether you are looking for a contemporary picture, a fun picture or a traditional style of portrait we can help.

We have around 6 large backdrops to suit all types of clothing and styles. You will find a friendly welcome at the studio and we hope to make you relax and enjoy your session with us.

We photograph single people, couples, babies, children, teenagers, small families, large families, and most well behaved pets too !

We charge £ 25 for a 1 hour session and we will take whatever groupings you request. We then produce a set of proofs which are ready a few days later and these can be taken home on leaving a £ 30 refundable deposit with us.

Along with the proofs will be an order form and price list so you can select which photos you would like enlarged. These are then paid for at the time of ordering.

Once you have made a booking with us we will also supply you with a list of hints and tips to help you with your choices of clothing. We are here to take the type of picture that YOU want and we are happy to discuss your needs in detail before the sitting.

## **Modelling sessions**

A 1 Hr session in our studio including 7 10x8 prints or 15 images on a disc £ 195.

## **Passport Photographs**

High quality uk passport photos £ 8.95 for a set of 4, other Nationalities, any size £ 13.95.
